Main changes:

→ Accepted papers are no longer published via LNCS, but in TCHES

CHES Switches Its Publication Model

- Starting with CHES 2018, CHES will use a

Conference/Journal Hybrid Model

Main changes:

- Accepted papers are no longer published via LNCS, but in TCHES
- Submit to CHES every three month; first deadline **October 15, 2017**

TCHES - IACR Transactions on Cryptographic Hardware and Embedded Systems

- **License** Gold Open Access, CC BY 2.0
- **Publisher** Ruhr University Bochum
- **Managing Editor** Tim Güneysu
- **Website** <https://tches.iacr.org/>
- **New LaTeX Template** No LNCS Format any more, new template available at <https://tches.iacr.org/>

Multiple Submission Deadlines Per Year

- **Submission Deadlines**

- July 15
- October 15
- January 15
- April 15

- **Notification**

- 2 month after submission

- **Camera Ready Version**

- 3 month after submission

- **Publication**

- No later than 4 month after submission

Multiple Submission Deadlines Per Year

- **Submission Deadlines**

- July 15

- January 15
- April 15

- **Notification**

- 2 month after submission

- **Camera Ready Version**

- 3 month after submission

- **Publication**

- No later than 4 month after submission

All accepted papers will be presented at the CHES conference

Paper Reviewing

- Reviewing is done by editorial board (replaces program committee)
- Reviewing will keep rebuttal phase
- Decisions:
 - Accept
 - Accept with minor revision and shepherding
 - Accept with major revisions (within next 2 rounds)
 - Reject

Why?

- More options for submission (no need for deadline rush)
- Fast turnaround
- Better reviews
- One paper version (no author/publisher version)
